Protection, Empowerment and Chakra Balancing IQubes	Upgrade to Focus Plus for \$1,500 U.S. (trade in value of \$500 U.S.)
Computer software for creating tones	\$500 U.S for people who did not upgrade last year/ \$300 U.S for those that upgraded last the software last year.

All new purchases of devices and frequencies will receive upgrades for no charge for a period of one year.

Payment plans

We will work with all clients to upgrade the frequencies and allow payment plans over several months, as needed on a client by client basis. Please send us note or give us a call to arrange terms that work for you.

Discount for Multiple Devices

If the price for a multiple IQube owner exceeds \$1,500 we will bundle all the frequencies they need for \$1,500 and provide one chip for each device. This excludes the cost of updating the software.

Note: Any purchases made of technology or software made after January 1, 2014 receive a free upgrade of their frequencies.
